

ISO 9001:2008 - QUALITY MANAGEMENT SYSTEM IMPLEMENTATION

Code: QM.9000.M1

Introduction:

ISO 9000 is one of successfully greatest standards of International Organization for Standardization (ISO). Until now, this standard has been over million organizations/enterprises in 175 countries applied and certified. In Vietnam, during more 10 years applying, ISO 9000 has been affirmed to bring about practical benefits for organizations/enterprises. In order to guarantee that this standard are always appropriate and effective with users, International Organization for Standardization (ISO) has been reviewed, modified and issued ISO 9001:2008 in **15 November, 2008**. ISO 9001:2008 has more improvement than ISO 9001:2000 based on feedback of applied organization as certification body of countries.

Moreover, with the aim at supporting organizations/enterprises to grasp changes in ISO 9001:2008 and update, improve the current quality management system, Vietnam Productivity Centre (VPC) holds the training course: “*ISO 9001:2008 - QMS Implementation*”.
